## Slide 4

### **It's the soil not the bug**

- **Summary: Dilute>Clean>Kill>Restore**
  - Treat the metal toxicity which shifted the terrain, causing infectious overgrowth
  - Treat the sugar addiction & food sensitivity to gluten during especially food poisoning or infection or detox
  - Treat the mood for serotonin and dopamine depletion from the gut lymph node infections with probiotics
  - Treat the spiritual sphere

## Slide 5

### **Retrain With Biofeedback**

- **The question is not why by HOW do we accomplish restoration of bioterrain?**
- Use an calibrated, exquisitely sensitive, specific, double blind non invasive tool
- Map where and what is suffering, and without harm, retrain with electrical correction our immune system to its normal natural function( Homeostasis)
- Restore Homeostasis to Restore Balance, Filtration & Proper Function

## Slide 6

### **Quantum Biofeedback Summary of Features**

- Quantum Biofeedback is a Safe, Cost effective World Class Medical Technology and includes a medical library, manufacturing capabilities, reporting functions, billing and much more
- First true trivector holographic holistic health examination and treatment method for stress
- Training tools and support readily available
- Optional attachments include a pet harness, dental probe, and face lift, brassiere, Import Map of Place function plus Athlete mode

## Slide 7

### Major Components

- Complete Medicine Array with Many Unique Key Features
- Ability to calibrate is unprecedented
- Speedy Three dimensional analysis
- Two way direction safe cybernetic loop
- Sophisticated Mathematical sorting
- Color coded display to easily demonstrate the areas at highest risk in priority with RISK PROFILES

## Slide 8

### Speed and Precision

- 2600 modules within one device
- 8200+ingredients tested in 3 ½ minutes
- Rapid sorting at biologic speed
- Unconscious analysis defines the best modules to apply in the priority sequence most demanded by the patient
- Virtual Doctor Dismantles entangled reasons and contributing factors

## Slide 9

### Remedies

- Supplies remedies ie Allopathy, Homeopathy, Flower essences, Sanamin, Aruyvedic, Herbal, Nutritional
- Can hint at diseases by what remedy is suggested (ie chemotherapy > cancer?)
- Can evaluate remedies for allergy before use, and provide nutritionals & good foods
- Can provide addiction release
- Can provide Auto Rife, Hololinguistic, NLP

## Slide 10

### Brain Enhancements with Superlearning Channel & EEG

- Super-learning channel and biofeedback
- Capable of improving learning with repair for autism, Learning difference and dyslexia
- Enhanced learning in generalized math, comprehension, and emotion, maturity communications skills
- Can repair EEG Brain wave patterns, including brain injury, seizures, mood disorders

## Slide 11

### Automated Navigation

- Search buttons and menus color coded
- Drag Matrix items to Causal or Hold bar
- Unconscious search for best of 200+ modules for healing
- Superconscious search and Superscious Reduction Panel for hidden issues
- Disease Dictionary to define known and unknown disease influences

## Slide 12

### Timed Treatments

- 3 sec, 30 sec, 3 minute or prolonged timed treatments, safety shut off 100%
- Prolonged overnight or lengthy "timed therapy" modules for stubborn conditions and easy application
- Efficient Piggy Back therapies
- Dozens of modules in Biofeedback for Stress, EMG, Organs and Emotional growth and stability, superlearning

Slide 13

### Summary Menus

- Sorting & Hold capabilities shows 8200 items as highlights in 30 Risk Profiles
- Prioritize: Unconscious Search & Dictionary gives priority sequence
- EMF perverse energies, toxins uncovered in Homotoxicology

Slide 14

### Integrated Holistic Health

- Mind Reintegrated brain modules for learning, neurotransmitters, acupuncture, Injuries, Stroke, ADHD and Autism, special senses, myelin repair, balance, coordination
- Emotional NLP, trauma mapping, spinal Neuro-emotional complexes NEC, creativity, memory, Survival skills, anti-aging, Chakras
- Physical Modules for all anatomy and disease, plus sports injuries and peak performance, nutrition, re
- Spiritual 24/7 Prayer wheel, Biogrowth, Harmony and Awareness, Ascension

Slide 37

### Autoimmune Disease Induction

- Once TNFA induced to call on immune system, the neighboring gene for celiac and other neighbor for autoimmune disease are co-activated until the invasion is settles, so treat infections and heavy metals early.
- Chromosome 6 carries three gene neighbors
- REPAIR CHROMOSOMES WITH DNA REPAIR
- REPAIR CHROMOSOME 6
- Invert TNFA and Autoimmune diseases in matrix or dictionary, and restore immune function in Bodyviewer

Slide 38

Slide 39

### Symbiosis vs. Dysbiosis

Remove Parasites, Especially Tapeworm, Fungi, Rickettsia, Helminthes, Viruses and restore normal gut flora of E. Coli, Acidophyllus and Benign Yeasts.
